### FIBP Report

The Fenwick Island Beach Patrol 2020 summer season will come to a close on September 20<sup>th</sup>. All stands will be pulled and there will be no guarding in the Town of Fenwick Island. Please be safe during the unguarded offseason.

The beach patrol would like to thank Robbie Murray, Deputy Director - Sussex County Paramedics & Diane Hainsworth, Director - Office of Emergency Medical Services, for giving us information, advice, support, answers to questions, etc. regarding COVID-19. With their guidance, and the support from the Fenwick Island Town Management, FIBP was able to provide full-time lifeguarding with almost no interruption in staffing.

We are looking forward to the offseason and building the Beach Patrol to another great level of service and skill.
